Richard

Following the email exchanges last week, I would be grateful if you could let me have an update as to you and your client's position on the taking up of a new lease and the draft confidentiality agreement which was sent to you on Friday. Rupert had mentioned to me that you were due to speak to him on Friday afternoon to discuss matters.

Would it be possible for you to get back to me today, so that we can get started on disclosure to Rupert in London tomorrow morning?

Thank you and regards.
